

Fillmore County Zoning  
PO Box 307  
Geneva, NE 68361-0307

402-759-4982 or 402-366-4267

**Instructions for filling out zoning permit application form.**

Please fill out as much information as is needed for your specific application.

Make sure your current address is on the form and the size and type of building or use is checked and intended use is filled in. Please check the correct blank whether this is a New or Used structure. Many of the blanks may not apply to your specific situation. Please include a current phone number and or cell number to contact you if we have questions about your application. Please estimate what the total cost of the project will be. The \$ value is **not** used by the Assessor, it helps us gauge the extent of your project and whether new or used materials are used.

You must sign near the bottom of the application. Applying for a permit implies your permission to allow me to be on your property to inspect before, during, and after the structure is in place.

Please draw (on the back or on a separate sheet) a picture representing location of the new building or structure and the other buildings currently on your property. If possible please show the dimensions of the lot or distance from street and the dimensions of the new structures.

Disclaimer:

**In consideration of the issuance of this permit, the applicant hereby certifies that the above statements are true and correct, and hereby agrees to comply with the zoning regulations, and any other regulations which are in effect. There may also be other permits required on plumbing, electrical, sere etc, to meet city and county ordinances, including building location, area, construction, elecrical and mechanical installations. Applicants signature on this document acknowledges permission for the zoning administrator to be on site. Approval of this permit does not hold the Administrator or Commissioners liable.**

If in violation of any regulations or through misrepresentation of facts, this zoning permit then becomes null and void, and the applicant may be subject to penalties established.

Please notify the zoning Administrator before any concrete is poured, preferably after stakes or markers are place for proposed concrete but before trenching.

Thank You,

Fillmore County Zoning Administrator
